DECLARATION OF STEVE BACKSTROM

I, Steve Backstrom, hereby declare under penalty of perjury as follows:

1. The information set forth in this declaration is accurate and correct to the best of my knowledge, information and belief.
2. I am the editor and publisher of the *Hells Canyon Journal*, a newspaper serving Halfway, Oregon. I have lived in Halfway for 30 years, and have worked at the *Journal* for 25 years. As a result, I am very familiar with the newspaper's advertisers and their interest in marketing their goods and services in Halfway. I am also familiar with the business activities of the residents of Halfway.
3. It has been my experience that advertisers from Boise frequently market their businesses to residents of Halfway. For example, the *Hells Canyon Journal* has over 30 accounts from advertisers located in the Boise market, but none from Portland.
4. I have also observed that residents of Halfway often travel to Boise for goods and services, since Boise is the closest metropolitan area to Halfway and has many commercial establishments that are popular among consumers but unavailable in Halfway. For example, Costco, Home Depot, Target, Walmart, etc.
